Expertise

Julia Pugliese is a member of the Real Estate Team, advising domestic and international corporate entities, financial institutions, and private clients on a wide range of real estate matters. Her expertise covers real estate transactions and Lex Koller issues, private construction law, tenancy law, contract law, public spatial planning and construction law, environmental law as well as real estate litigation. As a qualified notary public, she brings additional depth to her practice, particularly regarding real estate-related and other M&A transactions.
